

Wisconsin Alumni Association®

Outstanding Student Awards Application Materials

Application Deadline: February 1, 2007, 4:00 p.m.

Eligibility Requirements

Senior Awards: Four awards of WAA Life Membership with \$250 cash award

Current full-time (12 or more credits) senior undergraduate students at UW-Madison with a cumulative GPA of 3.5 or higher may apply. Eligible students must be graduating in May or December 2007 to qualify for the Senior Award. All students must be available for in-person interviews in Madison during the spring 2007 semester.

Junior Awards: Four to six awards ranging from \$500 to \$1,000

Current full-time (12 or more credits) junior undergraduate students at UW-Madison with a cumulative GPA of 3.5 or higher may apply. Eligible students must be graduating in May or December 2008 to qualify for the Junior Award. All students must be available for in-person interviews in Madison during the spring 2007 semester.

Awards Review Process

Completed application materials must be submitted in their entirety by the specified deadline. Applications are grouped into four classifications by year and gender (junior male, junior female, senior male, senior female) and distributed to a screening committee for a first round of review. *Note: Due to the large volume of applicants, applications may be culled by GPA rank if necessary prior to the first round of review. Incomplete applications will not be sent on for review.* Following the initial review and ranking process, applicants with the highest scores in each of the four classifications will be invited to interview with our alumni interview committee during the spring semester. The interview committee will determine the final Outstanding Student Award scholarship recipients. Recipients are recognized during the WAA Alumni Weekend program, which will take place on May 10, 2007. Attending this program is a requirement for eligibility for an Outstanding Student Award.
