

Wisconsin Alumni Association Ski Trip Breckenridge, Colorado

Join us for our first annual Wisconsin University Alumni Association ski trip! This winter we will meet to ski some of the Rocky Mountain's finest snow in Breckenridge, Colorado.

Our lift tickets are provided each day to ski Breckenridge, Keystone or Arapahoe Basin with an option for a day at Vail or Beaver Creek. We will stay in private condos, walking distance from the slopes and Main Street Breckenridge. Ski each day at the resorts, or choose to join one of our optional activities such as our popular backcountry skiing adventure.

Breckenridge features 2358 acres of skiable terrain. Of that, 600 acres are groomed, 772 are in bowls, and an awesome 25 acre terrain park. Each day and evening, we will have events planned at local bars and restaurants to ensure our evenings are as fun as our days on the slopes!

Choose from a 4-night package with 3 days of skiing or an 8-night package that includes a 6 out of 7 day lift ticket. Space is limited and your choice of condo is available on a first come, first served basis, so we strongly recommend making your reservations early.

For more information on this adventure, contact Northwest Voyageurs at: **(800) 727-9977**. Or go to our website: www.voyageurs.com/alumni

See you on the slopes!
